

# 40 Days

H. Perrin

40 days and 40 nights i was hungry  
asked me could i make bread from the stone  
if i am who i say i am  
i could do it on my own  
i could do it on my own

chorus:

and as he filled me up with pride  
softly singing through his song  
i was glad you're by my side  
and you've been there all along  
and you've been there all along

for 40 days i looked out at the kingdom  
he said that he would give it to me  
if i am who i say i am  
I would always be free  
I would always be free

chorus:

and as he filled me up with pride  
softly singing through his song  
i was glad you're by my side  
and you've been there all along  
and you've been there all along

for 40 nights i was placed on the temple  
asked me would i jump down to the ground  
if i am who i say i am  
i would not get turned around  
i would not get turned around

chorus:

and as he filled me up with pride  
softly singing through his song  
i was glad you're by my side  
and you've been there all along  
and you've been there all along
