

## **LEAD WITH YOUR HEART**

**I.Jack**

One thing I know like the air that I breathe  
One thing I'm certain of, one thing I believe  
There aint no love In concrete and stone  
Lead with your heart or leave me alone.

One thing I know like the back of my hand  
One thing I'm certain of It ain't like you planned  
Nothing of value can be bought and owned  
Lead with your heart or leave me alone

Betrayal and heartache, hurricane winds  
Troublesome habits and frustrated friends  
You want to find me I'm right here at home  
Lead with your heart or leave me alone.

Oh my lord, I'm in a battle here  
I surely need company  
I surely need company.  
Oh my lord I'm in a battle here  
If you believe in me why don't you set me free?

You say you gonna love me,  
Your gonna love me  
Say you gonna take me just as I am.  
And leave the flock standing there and come take home,  
Well, lead with your heart  
Don't leave me alone.

Oh my lord, I'm in a battle here  
I surely need company  
I surely need company.  
Oh my lord I'm in a battle here  
If you believe in me  
Why don't you set me free?  
You say you gonna love me?  
Your gonna love me  
Say you gonna take me just as I am.

Well what if you find out I'm just bad to the bone?  
What if I'm no good?  
What If you're wrong?

Oh my lord, I'm in a battle here  
I surely need company  
I surely need company.  
Oh my lord I'm in a battle here  
Need you to help me be all that I'm meant to be.  
Oh my lord I'm in a battle here.
