

**Shake off that Dust**  
*I. Jack/A. Francois/ N. Bryan*

Shake of that dust  
Let it ring hallelujah  
Shake off that dust let it ring  
Shake of that dust  
Let it ring hallelujah  
Shake off that dust let it ring

Wherever you go  
Whatever you do  
Hard Cobblestones, leaves of gold  
Or dreams comin' true  
Long long ago Paul told you so  
Whatever blows  
Whatever shows  
Here's how it goes Na Na

Shake of that dust  
Let it ring hallelujah  
Shake off that dust let it ring  
Shake of that dust  
Let it ring hallelujah  
Shake off that dust let it ring

No one can know  
Which way to go  
Morning dew asks you too  
Wake up your soul  
Long long ago Paul told you so  
Glory, glory tell your story  
Here's how it goes  
Shake off that dust.
